

AP HUMAN GEOGRAPHY

SUMMER ASSIGNMENT 2021

STEP ONE:

- Choose **ONE** of the following videos to watch:
 - The danger of a single story
 - <https://youtu.be/D9lhs24Izeg>
 - The dark legacy of this iconic baseball stadium
 - <https://youtu.be/DxJuuWUzQzI>
 - The global coffee crisis is coming
 - <https://youtu.be/6lN4ZcZAUbA>
 - How rich countries are making the pandemic last longer
 - <https://youtu.be/2ty2JOs2WOc>
 - Why the American West is fighting for water protections
 - <https://youtu.be/ArffMWtdu-s>
 - Why China is building islands in the South China Sea
 - <https://youtu.be/luTPMHC7zHY>
 - Why Mount Everest's height keeps changing
 - <https://youtu.be/ajpcHWBuV18>
-

STEP TWO:

- Answer the following questions, based on the video that you chose.
 - *Your answers should be in complete sentences. Please read each question carefully to make sure that you fully answer each question.*
- 1. ***What*** video did you choose...and ***why*** did you choose that video?
 - *Be honest.*
- 2. **Summarize** the video's information in **3 sentences**.
 - *3 full sentences. Your summary should provide enough information that someone who did *not* watch this video would have a great understanding of the video's information.*
- 3. Human Geography is the study of how human activity affects or is influenced by the earth's surface. **How** do you think this video connects with the idea of "human geography"?
- 4. In your opinion, ***what*** was the most interesting part of this video...and ***why*** did you find that to be the most interesting part?
- 5. Create **one** question based on the information in this video.
 - *This could be a question you would ask the people who made the video...or the people in the video. It could be a question you would put on a quiz about this video. It could be a question that you have in your own mind about the video.*
- 6. *Your answer should include the Example and your own Explanation for *why* you feel that this was the most powerful example. Why was it the most important or effective example?*
- 7. In your opinion, ***what*** was the most interesting part of this video...and ***why*** did you find that to be the most interesting part?
- 8. Create **one** question based on the information in this video.
 - *This could be a question you would ask the speaker, Ms. Adichie. It could be a question you would put on a quiz about this video. It could be a question that you have in your own mind about the video. It could be a question connecting this video to AP World History.*

STEP 3:

- Turn in your work. It can be either handwritten or emailed.
- The summer assignment is due on Friday, August 20th. Therefore, this is a “first week” assignment...and you are being given time over the summer to complete it and have one less thing to worry about.

QUESTIONS:

- If you have any questions about the summer assignment, please email Mr. Lynch-Limon at dlynch@harmonytx.org
- Because it is summer, you can expect a response within one week...but not within 24 hours.
